“Bininj to Bininj”: supporting sustainable pathways into higher education through the engagement of Aboriginal researchers in Australia.

Indigenous Leaders Conference, November 2016

Acknowledging Country and Welcome

We would like to begin by acknowledging the traditional owners and custodians of the land on which we meet today, the Larrakia people of the Darwin Region.

We pay our respects to their Elders past, present and future.

We also acknowledge the different clan groups of Maningrida and Gunbalanya communities (because we bring their stories here today) and pay our respects to other custodians from other parts of Australia who may be with us today.

We also welcome you all to this presentation wherever you may have travelled from.
